Now enter your results into the Eco-Schools online Data Zone to submit your Translink Travel Challenge results – www.eco-schoolsni.org

Remember to submit your results by **Tuesday 19th May** to be in with the chance to win some super prizes.

*Remember each pupil should have travelled 20 journeys in each survey. So if you have 30 pupils in the class there would be 600 journeys in total in each of the before and after surveys. Pupil absence may account for small variances.
