

Transport Tally Sheet

Name:

My Old Travel - Previous 2 week's Travel

Date:		Start			Finish		
Walk	Cycle	Scoot	Combo	Car	Bus	Train	Other

Enter the number for each mode you used for journeys over the previous 2 weeks

1 journey = a trip to or from school. So total journeys over 10 days should = 20

My New Travel - Travel during 2 week Travel Challenge

Date:		Start			Finish		
Walk	Cycle	Scoot	Combo	Car	Bus	Train	Other

Make a tally mark each day for each journey during your 2 week challenge

Total your tallies for each mode and enter a number at the end of the 2 weeks

1 journey = a trip to or from school. So total journeys over 10 days should = 20

Now compile your results for the whole class and enter into the Eco-Schools Data Zone for the chance to win great prizes in the Translink Travel Challenge.
